Letting Go:
How Boot Camp Conditions Soldiers to
Leave Their Homes

For many soldiers, the most memorable aspect of their training was boot camp. Boot camp is the transitional period wherein troops learn to identify with their branch of the armed forces. The process of boot camp has grown along with the field of psychology, and so a comparison between boot camp methods and psychological interesting series of questions.

Your last name and the page number always appear at the top right-hand corner of every page.

The entire paper must be double spaced.
